

Campus Law Centre, Faculty of Law, University of Delhi in collaboration with Sri Guru Tegh Bahadur Khalsa College, University of Delhi, is organising the **3rd International Conference on “Artificial Intelligence and International Law” on the 24th and 25th of June 2022.**

The Conference aims to deconstruct, deliberate, and discuss Artificial Intelligence and its interplay with International Law during this conference. A link for the Conference is: [**3rd International Conference on Artificial Intelligence and International Law.**](#)

The Conference would not only give the attendees insights into the significance of Artificial Intelligence and International law and their possible interplay in the contemporary world, but also will give them a unique opportunity to interact with the subject-matter experts from interdisciplinary fields.
